

## Course Fees

All regular dance courses are charged on monthly basis as per details listed below. Special courses are charged according to relevant published information.

### Remark:

Students who wish to sit for the ATOD, CSTD or RAD examinations must continuously attend relevant training at the school and acquire at least 80% attendance between September and the following August. They must also participate in the mock examination at the school and achieve the required examination standards. The school reserves its right to disqualify a student from attending any of these examinations in the event that he or she falls short in any of the foregoing criteria. All fees paid are not refundable.
